Re: December 29, 2003 request for information about homeless residents in Whittier

Dear Mr. Netburn:

Allan Zolnekoff
Council Member

I have reviewed your request relative to "homeless residents in Whittier" and regret to inform you that we do not keep statistics on the homeless population in Whittier. In addition, our budget is not broken down in such a manner as to define the services to homeless members of our community as a separate program area.

Stephen W. Helvey
City Manager

While we are very supportive of your efforts and pleased to be able to host one of your community forums at our facilities, I cannot provide you with the input to your questionnaire that you have requested.

If there are other areas in which we can be of assistance, please do not hesitate to ask.

Very truly yours,

Stephen W. Helvey
City Manager
